

THE 4TH ON MAUI.

Successful Race Meeting at Kahului.

Large Attendance—Fine Weather—Arrangements Perfect—Honolulu Sends a Delegation.

The Glorious Fourth was celebrated on the Island of Maui by the Sixth Annual Meeting of the Maui Racing Association at Spreckels' Park, Kahului. It is wonderful how this Association has grown, for this meeting under notice was much more interesting than the one at Kapiolani Park on June 11. The entries comprised some of the best horses in this Kingdom, and the result was a most excellent day's racing. The Wilder Steamship Company showed commendable enterprise when it planned an excursion to this race meeting at Kahului, on the fine steamer Claudine. The result was that nearly one hundred passengers left on her, including twelve members of the Royal Hawaiian Band.

Leaving Honolulu on Sunday evening at 6 o'clock, the good steamer, in command of the genial Captain Davis, arrived at Kahului at daylight on the 4th. It was a pleasant trip, though quite a number of the passengers were seasick. But what does that matter; it may be the means of saving doctors' bills. Mr. Arthur Wilder acted as purser during the trip and the passengers have reason to thank him very much for his kind attention.

The Claudine anchored alongside the brig Consuelo, and the two vessels were dressed with bunting. Going ashore, Mr. G. P. Wilder, the superintendent, was in attendance to see to the landing of the passengers. At this early hour all Kahului was astir and people were arriving in large numbers every few minutes from the surrounding districts. A large number of the Honolulu people repaired to the home of Mr. Chas. H. Broad, whose hospitality throughout the day was characteristic of a man with a large heart. He made all feel quite at home and then told them to call again. Many thanks Charlie for your hospitality, was heard on all sides on departure.

Now we come across the handsome U. S. Consul, Mr. A. F. Hopke, who grasps your hand and bids you welcome. And before you can move another step Mr. L. M. Vetlesen, the secretary, greets you. It does one good to get among the Kahului people; they are so cordial in their greetings of welcome and so hospitable. A large party were entertained at Consul Hopke's residence during the day, including many ladies. American flags were flying in every direction and business was entirely suspended. A detachment of the Royal Hawaiian Band played several selections before going to the Park. The weather was very fine, but there was a breeze blowing which at times was a little uncomfortable. The races were announced to commence at 10 o'clock, but long before that hour the grand stand was crowded and several hundred people were scattered around the track. It was to be regretted that the Hon. R. D. Walbridge, the president of the Association, was not present, but important business prevented his leaving Honolulu. The officers for the day were as follows: Judges, Hugh Center, W. A. McKay and H. H. Plummer; Starters, D. L. Meyer and E. Biven; Clerk of the Course, Dr. Geo. Herbert; Timekeepers, A. F. Hopke and E. Hoffmann; Patrol Judge, Ed. Krueger; Saddling Paddock, L. von Tempel.

The track was in very good condition, the Association having spared no pains to make it so. There were fourteen races on the programme. The Hon. W. H. Cornwell was the hero of the day, for his horses carried off one half of the events. The excitement was intense when Amarino galloped home an easy winner from Senator Stanford for the Kahului Purse—one mile dash. Senator Stanford wasn't in it at all, and the time, 1:49½ on a half-mile track, shows how fast the race was run. Amarino's victory was most popular, and the little Major was warmly congratulated on all sides. During the afternoon this wonderful luck was accounted for by the presence on one side of the track of the Major's kahuna, attired in a costume of bright red. Judge Kopoikai was the first one to make the discovery. The judges are to be congratulated for their impartial decisions. One race had to be run over again, and one heat of a trotting race was given to the second horse.

During an intermission a splendid champagne lunch was given by Mr. A. F. Hopke, at his residence. He was ably assisted in doing the honors of host by Mr. Vetlesen. The Hon. Paul Neumann (the genial Paul) during the lunch proposed the health of the host in well-chosen words. He was very witty in his reference to the bachelor way of living of the host and his neighbor, and made

timely suggestions to them for the future. The races were over about 5 o'clock, and it did not take long for the big crowd to disperse. Those bound for Honolulu went on board the Claudine, but the vessel did not get away until 9 o'clock. Just previous to her sailing there was a fine display of fireworks let off from the bridge of the steamer. The Maui Racing Association must be congratulated on the great success of the meeting. There was no hitch at all during the day, the judges were sound in their decisions and everyone went away perfectly satisfied.

A detachment of the Royal Hawaiian Band played during the day, and there was also singing at intervals by the Quintette Club in the grand stand.

The following is the result of the races:

1st RACE—SPRECKELSVILLE PURSE, \$60.00.
Running Race, 1 mile dash; free for all Hawaiian bred horses.

W. H. Cornwell's b. c. Amarino, 3 yrs., 109 lbs., 1
C. H. Broad's b. g. Ivanhoe, Jr., aged, 115 lbs., 2

R. Ballentyne's Queen L. was withdrawn. Amarino got the best of a good start. At the quarter pole Ivanhoe crept up a little, but Amarino, well ridden by Slocum, had all ways the best of it, and won easily at the finish by a neck. Frank Jones rode Ivanhoe, Jr. Time, 59 sec.

2nd RACE—WAIKAPU PURSE, \$80.00.
Running Race, 1 mile dash; free to all.

There were only two entries for this race, W. H. Cornwell's Lord Brock and Lahaina Stables' Joe Stacy. The latter did not put in an appearance, and Lord Brock was ridden over the course. The Judges stated that by the rules of the Association the owner of Lord Brock was entitled to his entrance fee and one half the entrance fee of the second horse.

3rd RACE—LAHAINA PURSE, \$100.00.
Trotting and Pacing Race, 1 mile heats best 2 in 3, to harness. For all horses without a record of 3:20 or better.

Lahaina Stables' b. h. Lahaina Chief, 4 yrs., 115 lbs., 1
J. V. Kerr's bl. m. Lady Venture, 4 yrs., 115 lbs., 2
Wm. Goodness' roan g. Rex, 4 yrs., 115 lbs., 3

Much amusement was caused in the first heat by the way Messrs. Kerr and Goodness handled their animals, and the crowd cheered them over and over again. Lahaina Chief had no trouble whatever in winning both heats.

Between the heats of the above race there was a match race, half-mile dash, between D. Center's Little Dave and Sam Sing's Hong Kong. The latter, ridden by Frank Jones, took the lead at starting, but Little Dave, ridden by Slocum, soon began to make up lost ground, and before two hundred yards was gone had the lead, maintaining it to the end, and winning by a length and a half. Time, 57 sec.

4th RACE—WAILUKU PURSE, \$100.00.
Running Race, 1 mile and repeat; free to all Hawaiian bred horses.

W. H. Cornwell's g. g. Billy C., 6 yrs., 115 lbs., 1
C. H. Broad's b. g. Ivanhoe, Jr., aged, 115 lbs., 2
R. Ballentyne's bl. m. Queen L., 4 yrs., 113 lbs., 3

In the first heat Billy C. got away first, Ivanhoe, Jr., second, Queen L. last. This position was maintained to the end, Billy C. winning by two lengths.

Billy C. took the lead in the second heat, and won at the finish by a length and a half; Ivanhoe, Jr., second; Queen L. third. Slocum rode Billy C. very cleverly in both heats.

5th RACE—KAHULUI PURSE, \$125.00.
Running Race, 1 mile dash; free to all.

W. H. Cornwell's b. c. Amarino, 3 yrs., 105 lbs., 1
H. Focke's g. h. Senator Stanford, 5 yrs., 124 lbs., 2
R. Ballentyne's bl. m. Queen L., 4 yrs., 113 lbs., 3

Senator Stanford carried 44 lbs. overweight. The race was looked upon as a certainty for the Senator. They got away to a good start, Amarino taking the lead. Before half a mile had been run, Stanford began to draw up to Amarino, but it was of no avail, as Amarino sailed away from the grey, and won the race in the easiest possible manner. There was great excitement among the spectators during the progress of the race. Time, 1:49½.

6th RACE—HANA PURSE, \$125.00.
Trotting and Pacing Race, 1 mile heats, best 2 in 3, to harness. Free to all horses with no better record than 3:00.

There were three entries for this race, Waikapu Maid and Minnie owned by W. H. Cornwell, and Bell Ringer. The latter was withdrawn, and there was no race.

7th RACE—KULA PURSE, \$50.00.
Running Race, 1 mile dash; for Ponies 14 hands and under, to carry 100 lbs. and upwards.

D. Center's Little Dave, aged, 100 lbs., 1
W. L. Mossman's Whistling Coon, aged, 100 lbs., 2
C. H. Broad's Flash, 4 yrs., 100 lbs., 3

Flash got the best of a good start, but bolting, let up Little Dave, who, ridden by Slocum, won at the finish quite easily. Flash nearly fell at the quarter mile pole. Time, 59 sec.

8th RACE—MANA CUP, Value \$150.00 or its equivalent in coin.
Running Race, 1 mile dash; free to all Hawaiian bred horses.

H. Focke's g. h. Senator Stanford, 5 yrs., 125 lbs., 1

R. Ballentyne's g. m. Yum Yum, 5 yrs., 115 lbs., 2
W. H. Cornwell's g. g. Billy C., 6 yrs., 117 lbs., 3
Senator Stanford carried five pounds overweight. This race had to be run twice before being decided. The first time Yum Yum came in first by two lengths, but as it was apparent to the Judges there had been some foul riding they ordered the race to be run over again. This was done later in the afternoon. At the fall of the flag Yum Yum took the lead, Stanford last. Before going two hundred yards Stanford had moved into second place and improving his position gradually caught Yum Yum on the home stretch, winning the race by half length. Jim Crow rode Stanford. Time, 2:23.

9th RACE—WAIHEE PURSE, \$150.00.
Trotting and Pacing Race, 1 mile heats, best 3 in 5. All horses with a record of 2:30 or better to go to road cart and carry 185 lbs.

W. H. Cornwell's g. g. Johnny Hayward, 2 1 1 2 1
P. Ballentyne's br. g. Billy, 1 1 2 1 2
Lahaina Stables' b. g. Blizz, 3 2 3 3 3
Time—2:44; 2:42; 2:42; 2:48; 2:44.

First Heat—Billy took the lead at word go, and held it throughout, though very closely pressed by Hayward at the finish.

Second Heat—Billy again took the lead, but after completing half a mile ran rather wide, letting up Hayward who won the heat easily.

Third Heat—Hayward was the first away and never being headed, won by two lengths.

Fourth Heat—Hayward passed the wire first by fifteen lengths, but the heat was given to Billy on a foul.

Fifth Heat—Billy got away first but after half a mile had been trotted, Hayward passed him and coming along on fine style, won the heat and the race. Johnny Hayward was driven by Decker, Billy by D. Davis and Blizz by Gordon.

10th RACE—CORINTHIAN, Gold Medal, Value \$50.00. Entrance Fee \$10.00.

Running Race, 1 mile dash, welter weights; free to all members of the Association.

R. Ballentyne's b. g. Joe, 4 yrs., 115 lbs., 1
Dr. Geo. Herbert's bl. h. Black Diamond, 4 yrs., 115 lbs., 2
L. M. Vetlesen's g. g. Elector, 4 yrs., 115 lbs., 3

Joe was the first away. Black Diamond last. On coming up the stretch the first time the latter improved his position and soon after tried hard to pass Joe, but could not, and Joe won the race by a length and a half.

Elektor was a long way behind. Dr. Herbert carried thirty-eight pounds overweight, if he had not, the result might have been different. Time, 1:58½. The gold medal is a handsome one, and was won by Mr. Ballentyne after his victory.

11th RACE—QUEEN LILILOKA LANCUP, Purse \$150.00.

Running Race, 1 mile dash; free to all.

W. H. Cornwell's c. c. Lord Brock, 3 yrs., 105 lbs., 1
H. Focke's g. h. Senator Stanford, 5 yrs., 124 lbs., 2
R. Ballentyne's g. m. Yum Yum, 5 yrs., 115 lbs., 3
C. H. Broad's b. h. J. A. C., aged, 120 lbs., 4

It took some little time to get the four animals started. They finally got away to a fair start. Lord Brock assuming the lead, J. A. C. second and Stanford last. At the quarter pole Yum Yum took second place and Stanford passed J. A. C. Stanford then made a great effort to catch Lord Brock, but the latter kept moving and won a capital contested race by two lengths. This was the second time that Major Cornwell's horses had beaten Senator Stanford. Time, 2:20. Lord Brock pulled so during the race that Slocum his jockey was quite exhausted at the finish.

12th RACE—POLO CUP, Purse \$40.00, Entrance Fee \$7.50.
Running Race, 1 mile dash; owners to ride, welter weights; for members of any Polo Club in the Kingdom.

W. L. Mossman's Whistling Coon, 1
John McGuire's Hit Him Again, 2

They got away to a good start and raced neck and neck for half the distance when Coon got a slight lead and won on the finish quite easily. Time, 1:02.

13th RACE—MULE RACE, Purse \$50.00.

Running Race, 1 mile dash, catch weights; free to all.

Wm. Friel's Nioi, 1
P. Cockett's Jenny, 2
Wailuku Stables' Rocky, 3

Jenny got the lead at starting and held it to within one hundred yards of the wire, when Nioi moved up and won easily. It was with some difficulty that Rocky was made to start. The other two had gone some distance before she "got a move" on her. Time, 1:04.

14th RACE—SWEEPSTAKES, \$50.00 each, \$10.00 Forfeit.
Running Race, 1 mile dash, handicap; free to all. Association adds \$50.00.

This race was declared void.

STAND BY PABST BEER.

Workingmen Say it is Purely a

Union Product.

No Reason Why it Should be Boy-

cotted.

The Federated Trades Council De-

clares that the K. of L. Boycott is

the Result of Rivalry Between the

Pabst and Anheuser-Busch Co's—

The Pabst Company Much More

Favorable to Labor than the St.

Louis Brewers.

The Federated Trades Council at

its meeting last night listened to a

report from a delegation from the

local Journeymen's Brewers union,

and then passed by a unanimous

vote the following resolutions:

"Whereas, The Executive board of the Knights of Labor, in session at Pittsburg, Pa., May 14, 1892, placed a boycott upon the Pabst beer of Milwaukee in favor of the Anheuser-Busch beer of St. Louis, alleging that the Pabst beer is a non-union product,

"Whereas, the situation relative to the employment of labor by the two breweries is as follows: The Pabst Brewing company's beer is an exclusively made union product. All its ingredients are prepared by union labor, while the malt used by the Anheuser-Busch company, as alleged, is bought largely at malt houses located in small towns, where non-union labor is employed at a greatly reduced figure. Within the year unions in every branch of labor employed by the Pabst Brewing company have been formed, and such labor is now working under a scale perfectly satisfactory to them and which continues in force one year from its adoption.

"Whereas, the Pabst Brewing company, which is represented both in the union and Knights of Labor, operates under the jurisdiction of the International Brewers' association. The labor employed by the Pabst Brewing company, in settling its scale for the present year, secured all requests sought by it and no dissatisfaction exists relative to it among any of said employees,

"Whereas, There appearing no reason why organized labor in any form should complain at the Pabst Brewing company's method of dealing with its employees or with the rights of organized labor, the Pabst Brewing company being only one of the brewing concerns of this and other cities in which the same scale is in use, all working under the same jurisdiction of the International Brewers' union; therefore,

"Resolved, That by selecting the Pabst Brewing company for a boycott under the above circumstances, the Executive board of the Knights of Labor has perpetrated not only a manifest injustice on the Pabst Brewing company, which employs only union labor throughout, but upon the cause of organized labor which can offer no valid reason for the placing of said boycott.

"Resolved, That it is the sense of this council, that it is the duty of all organized labor to give the same protection to employers of such labor in the distribution and sale of their product that is demanded by such labor of employers in the recognition and employment of such organized labor.

"Resolved, That inasmuch as we know the charge that Pabst beer is a non-union made product to be utterly false and without foundation, and believe that the boycott placed at Pittsburg has been incited and instigated by and through the agents of the Anheuser-Busch company because of the rivalry existing between it and the Pabst company, we hereby appeal in the interest of fairness to the Pabst company as well as in the interest of organized labor which cannot prosper under the employment of such diverse and unfair methods, to the International Brewers' union, to demand that the Executive committee of the Knights of Labor lift immediately said boycott, and that widespread public announcement be made of the same when done.

"Resolved, That a copy of these resolutions be sent to the officers of the American Federation of Labor at once with the request that they adopt the same or other resolutions to the same effect."

ARRIVALS:

Many of the arrivals by each

"Australia" go to the Hawaiian

Hotel, still a great many put up at

E. O. Hall & Sons for a short time.

Our arrivals by the last "Australia" were from several parts of the

world. A large excursion party

came to us from Sheffield, England,

by way of Panama and San Francisco; they were the Pocket Knife

branch of the Knife family, \$525

worth in Sheffield, not a very big

sum you may say, still enough to

get a few dozen each of thirty-

three different styles, and if you

want to see some choice Knives

drop in and look them over, they

are right near the Fort Street en-

trance. People that happened in

the day we were opening them up

evidently thought they were good,

as we sold 39 to different ones

during the afternoon. The above

family wishing to be in Sharp

Company on their long trip, started,

and came all the way in the same

Compartment with over a gross of

"assorted Razors. All we have to

say about these are that they are

the three famous makes, "Rogers,"

"Bengal," and Wade & Butcher.

Every "little Shaver" knows these

makes, and uses them. But you

want to know what other arrivals

we had by the last Australia, so let

us run down the list together; be-

sides Knives and Razors from

England, we had Brass Cup Hooks,

Hall's Rice Sickles, Eley's Car-

tridges, Imray's Charts, Clark's &

French Horse Clippers, 65 dozen

assorted Stubs Saw Files, 32 dozen

assorted Stubs Jewelers' Files,

Mattress Needles, 100 boxes Shoe

Thread, 100 lb. Emery Powder,

assorted, Stubs Plyers.

Now from Boston (by rail) via

San Francisco we had, 64 assorted

Bailey's Patent Planes, and some

48 in. Cotton Duck. A big lot of rail

goods started from Boston the same

time as above but in the race over-

land these two items must have

beaten the balance to San Fran-

cisco as nothing more on this in-

voice came along by the Australia.

We have an idea the Planes (which

we were short of) and the Duck

(which we were all out of) knew

they were badly needed and took

a "Vestibule Train," and hurried

through. The balance of this in-

voice, which will come along by the

"Mariposa," have among the items

No. 1 and 2 Ship Pumps, Metaline

& Roller, Bushed Sheaves, Disston's

Files, Saw Screws and Saws, Bin-

nacle Lamps, Galvanized Row-

locks, Carpenters' Hammers, Top

Mauls, Fodder Cutters, Knives,

White Shellac, Coopers' Vices,

Horse and Barbours Clippers, Bronze

Powder, "Thoms Navigator," Hand

Levels, and Pedometers, Whip

Sockets, Grommets, Steel Letters

and Figures, 1-1/2-3-16in., Pruning

Shears, Tailors' Squares, Cop-

per and tinned Wire, on spools etc.,

in all a 9-page invoice of assorted

Hardware.

Last of all comes our list of ar-

rivals from San Francisco: Leather,

39 rolls of Sole, Harness, Saddle,

Splits, Buff and Lace; 45-70 405-

500 grain Frankfort Arsenal Bul-

lets, Turkey and Ost
